Subject Index

Abdominal neoplasms

- granular cell tumor of uncertain malignant potential (Menaker and Sanger) 1997;38:658 (Case report)

Abdominoplasty

- method of reconstructing a natural-looking umbilicus in abdominoplasty (Massiha et al) 1997;38:228
- tumescent mini abdominoplasty (Nguyen et al) 1997;38:209

Acne

- critical appraisal of high-energy pulsed carbon dioxide laser facial resurfacing for acne scars (Apfelberg) 1997;38:95

Adenoma

- huge pleomorphic adenoma of the upper retromolar area (Hirabayashi et al) 1997;38:184 (Case report)

Adenosine triphosphate

- use of P³¹ magnetic resonance spectroscopy to evaluate the effect of ATP-MgCl₂ perfusion on the metabolism of rat skin island flaps (Koh et al) 1997;38:252

Adipofascial flaps; see Flaps, adipofascial

Advancement flaps; see Flaps, advancement

Aesthetics

- aesthetic surgical training: the Lenox Hill model (Schulman) 1997;38:309
- nuances of aesthetic blepharoplasty (Wolfert et al) 1997;38:257
- predictors of postoperative aesthetics following explantation of the augmented breast (Fee and Caffee) 1997;38:217
- re: evaluations of aesthetic results in breast reconstruction: an analysis of reliability (Ramakrishnan and Southern) 1997;38:85 (Letter)
- role of facial proportion in hair restoration surgery (Stough et al) 1997;38:129
- Toofäace (Weinzweig) 1997;38:88 (Letter)

Age factors

- age-related outcomes of sleep apnea surgery in infants and children (Januszkiewicz et al) 1997;38:465

Alloplastic implants; see Implants, artificial

Alprostadiol

- topical administration of prostaglandin E1 with iontophoresis for skin flap viability (Asai et al) 1997;38:514

Amputation

- obtaining projection in the amputation free nipple/areolar graft breast reduction without a vertical scar: using breast parenchyma to create a new mound (Manstein et al) 1997;38:421
- reduction of ischemic reperfusion edema with

- corticotropin-releasing factor (CRF) in rat hind limb replantation (Whitney et al) 1997;38:416

Amputation, traumatic

- salvage of fingertip amputated at nail level: new surgical principles and treatments (Hirase) 1997;38:151

Analgesia

- controlled, randomized, double-blind study of ketorolac for postoperative analgesia after plastic surgery (Marín-Bertolín et al) 1997;38:478

Anesthesia

- tumescent mini abdominoplasty (Nguyen et al) 1997;38:209

Aneurysm

- aneurysm of the radial artery following blunt trauma to the wrist (Turowski et al) 1997;38:527 (Case report)

Angiography

- selective use of preoperative lower extremity arteriography in free flap reconstruction (Dublin et al) 1997;38:404
- Annals of Plastic Surgery*
- generalizations from a generalist journal (Morain) 1997;38:81 (Editorial)
- prairie grass roots (Morain) 1997;38:546 (Editorial)

Anus

- re: reconstruction of anal and perianal defects (Peled) 1997;38:306 (Letter)

Aphalangia; see Fingers, abnormalities

Areola; see Breast

Arm

- case report: upper extremity soft-tissue reconstruction by alloplastic implant: long-term result and follow-up (Bonnecarrere and Butler) 1997;38:74 (Case report)
- reverse pedicled lateral arm flap for reconstruction of posterior soft-tissue defects of the elbow (Tung et al) 1997;38:635

Art

- Alma Dea Morani, MD: a pioneer in plastic surgery (Solomon and Granick) 1997;38:431

Arterial occlusive diseases

- technique to investigate microvascular mural thrombus formation in small arteries and veins: II. effects of aspirin, heparin, r-hirudin, and G-4120 (Stockmans et al) 1997;38:63
- technique to investigate mural thrombus formation in small arteries and veins: I. comparative morphometric and histological analysis (Stockmans et al) 1997;38:56

Arteriography; see Angiography

Arteriovenous fistula

- staged arteriovenous fistula and free flap transfer (Atiyeh and Musharrafieh) 1997;38:193 (Letter)

Arteriovenous malformations

- laser treatment of facial venous vascular malformations (Derby and Low) 1997;38:371

Aspirin

- technique to investigate microvascular mural thrombus formation in small arteries and veins: II. effects of aspirin, heparin, r-hirudin, and G-4120 (Stockmans et al) 1997;38:63

Auricular anomalies; see Ear

Axons

- axonal regeneration through an autogenous nerve bypass: an experimental study in the rat (Shah et al) 1997;38:408

Back

- endoscopic-assisted transaxillary removal of lipomas in the back and shoulder region (Takeuchi et al) 1997;38:109

Balanitis

- full-thickness skin grafts from eyelids to penis, plus split-thickness grafts in chronic balanitis xerotica obliterans (Rudolph and Walther) 1997;38:173 (Case report)

Basal cell carcinoma; see Carcinoma, basal cell

Beads

- bead and wire intermaxillary fixation (Hataya et al) 1997;38:632

Bites and stings

- re: pit viper bites: rational management in locales in which copperheads and cottonmouths predominate (Bucknall) (Letter); (Lawrence) (Reply) 1997;38:302

Blepharoplasty

- nuances of aesthetic blepharoplasty (Wolfort et al) 1997;38:257

Blepharoptosis

- extensive bilateral eyelid ptosis caused by xanthoma palpebrarum (Üstünsoy et al) 1997;38:177 (Case report)

Blood circulation

- relative importance of intramedullary, intracortical, and extraosseous soft-tissue blood flow to the repair of devascularized canine tibial cortex (Schemitsch et al) 1997;38:623

Blood transfusion

- re: is blood transfusion necessary in reduction mammaplasty patients? (Altobelli) 1997;38:85 (Letter)

Bone

- use of Mitek suture anchors in head and neck reconstruction (Dzwierzynski et al) 1997;38:449

Book reviews

- Aesthetic Rhinoplasty*, by Nicolle (Oneal) 1997;38:93
- Atlas of Head and Neck Surgery: Otolaryngology*, by Bailey et al (Larson) 1997;38:91
- Atlas of Techniques in Breast Surgery*, by Silen et al (Shons) 1997;38:94
- Coming of Age: A Twenty-fifth Anniversary History of the American Academy of Facial Plastic and*

Reconstructive Surgery, edited by Simons (Jurkiewicz) 1997;38:93

Medical Mayhem, by Mitchell (Berggren) 1997;38:90

Orthopaedic Injuries of the Civil War, by Kuz and Bengston (Cederna) 1997;38:91

Recent Advances in Plastic Surgery, edited by Jackson and Sommerlad (Levin) 1997;38:92

Surgical Approaches to the Facial Skeleton, by Ellis and Zide (Jackson) 1997;38:90

Brachial plexus

- case report: unilateral combined facial nerve and brachial plexus palsies in a neonate following a midlevel forceps delivery (de Chalaín et al) 1997;38:187 (Case report)

Branchial region

- case of primary branchiogenic carcinoma (Tsuchida et al) 1997;38:439 (Letter)

Breast

- immediate breast reconstruction in patients with locally advanced disease (Sultan et al) 1997;38:345
- immediate breast reconstruction in the high-risk adjuvant setting (Wey et al) 1997;38:342
- migration of silicone through the fibrous capsules of mammary prostheses (Beekman et al) 1997;38:441
- modified quadrapod flap (Mandrekas and Zambacos) 1997;38:195 (Letter)
- obtaining projection in the amputation free nipple/areolar graft breast reduction without a vertical scar: using breast parenchyma to create a new mound (Manstein et al) 1997;38:421
- predictors of postoperative aesthetics following explantation of the augmented breast (Fee and Caffee) 1997;38:217
- re: effectiveness of silicone sheets in the prevention of hypertrophic breast scars (Niessen) (Letter); (Cruz-Korchin) (Reply) 1997;38:547
- re: evaluations of aesthetic results in breast reconstruction: an analysis of reliability (Ramakristnan and Southern) 1997;38:85 (Letter)
- re: is blood transfusion necessary in reduction mammaplasty patients? (Altobelli) 1997;38:85 (Letter)
- sensory reinnervation of autologous tissue TRAM flaps after breast reconstruction (Place et al) 1997;38:19
- surgical delay in TRAM flap breast reconstruction: a comparison of 7- and 14-day delay periods (Restifo et al) 1997;38:330
- thermal injuries following TRAM flap breast reconstruction (Alexandrides et al) 1997;38:335
- Breast neoplasms**
- immediate breast reconstruction in patients with locally advanced disease (Sultan et al) 1997;38:345
- immediate breast reconstruction in the high-risk adjuvant setting (Wey et al) 1997;38:342

Burns

- favorable donor site for epidermal cultivation for

- the treatment of burn scars with autologous cultured epithelium (Kumagai et al) 1997;38:506
- prevention of accidental extubation in burn patients (Achauer et al) 1997;38:280
- thermal injuries following TRAM flap breast reconstruction (Alexandrides et al) 1997;38:335
- Buttocks**
- circumferential torsoplasty (Carwell and Horton) 1997;38:213
- Cancrum oris; see Noma**
- Carbon dioxide laser surgery; see Laser surgery**
- Carcinoma**
- case of primary branchiogenic carcinoma (Tsuchida et al) 1997;38:439 (Letter)
- Carcinoma, basal cell**
- recurrent basal cell carcinoma in margin-positive tumors (Friedman et al) 1997;38:232
- Carcinoma, squamous cell**
- squamous cell carcinoma in perineal inflammatory disease: a common outcome for chronic perineal inflammatory disease (Gur et al) 1997;38:653 (Case report)
- Carpal tunnel syndrome**
- computer-assisted quantitative sensorimotor testing in patients with carpal and cubital tunnel syndromes (Dellon and Keller) 1997;38:493
- re: midpalmar approach to the carpal tunnel: an alternative to endoscopic release (Murphy) 1997;38:84 (Letter)
- Cartilage**
- case of Ollier's disease of the hand (Miyawaki et al) 1997;38:77 (Case report)
- relapsing polycondritis (Güerri et al) 1997;38:84 (Letter)
- Case reports**
- adipofascial flap harvest using endoscopic assistance (Hallock) 1997;38:649
- anatomic design of a sensate plantar flap (Narsete) 1997;38:538
- aneurysm of the radial artery following blunt trauma to the wrist (Turowski et al) 1997;38:527
- case of Ollier's disease of the hand (Miyawaki et al) 1997;38:77
- case report: unilateral combined facial nerve and brachial plexus palsies in a neonate following a midlevel forceps delivery (de Chalain et al) 1997;38:187
- case report: upper extremity soft-tissue reconstruction by alloplastic implant: long-term result and follow-up (Bonnecarrere and Butler) 1997;38:74
- extensive bilateral eyelid ptosis caused by xanthoma palpebrarum (üstünsoy et al) 1997;38:177
- full-thickness skin grafts from eyelids to penis, plus split-thickness grafts in chronic balanitis xerotica obliterans (Rudolph and Walther) 1997;38:173
- granular cell tumor of uncertain malignant potential (Menaker and Sanger) 1997;38:658
- huge pleomorphic adenoma of the upper retromolar area (Hirabayashi et al) 1997;38:184
- inexpensive method of intraoperative skin stretching for closure of large cutaneous wounds (Abramson et al) 1997;38:540
- intestinal perforation after suction lipoplasty: a case report and review of the literature (Talmor et al) 1997;38:169
- multiple neurilemmomas of the ulnar nerve: a case report (Komuro et al) 1997;38:536
- new malleable self-retaining retractor (Doi and Ogawa) 1997;38:543

Melanoma

late recurrence of malignant melanoma and second primary malignant melanoma: a report of 3 patients (Yoshitatsu et al) 1997;38:663 (Letter)
prognostic importance of tumor diameter in nodular melanomas (Straume and Akslen) 1997;38:550 (Letter)

Meningococcal infections

treatment of thromboembolic complications of fulminant meningococcal septic shock (Mele et al) 1997;38:283 (Case report)

Mercury

subcutaneous metallic mercury injection: early, massive excision (İşik et al) 1997;38:645 (Case report)

Metatarsal artery

anatomic study of the dorsalis pedis-first dorsal metatarsal artery (Lee and Dauber) 1997;38:50

Methicillin

methicillin-resistant *Staphylococcus aureus* infection in hospital staff (McLaughlin et al) 1997;38:83 (Letter)

Microspecialization; see Specialties, medical**Mitek anchors**

medial canthoplasty with the Mitek Anchor System (Okazaki et al) 1997;38:124
use of Mitek suture anchors in head and neck reconstruction (Dzwierzynski et al) 1997;38:449

Mohs surgery

dermatofibrosarcoma protuberans (DFSP): growth characteristics based on tumor modeling and a review of cases treated with Mohs micrographic surgery (Haycox et al) 1997;38:246

Morani, Alma Dea

Alma Dea Morani, MD: a pioneer in plastic surgery (Solomon and Granick) 1997;38:431

Mouth neoplasms

huge pleomorphic adenoma of the upper retromolar area (Hirabayashi et al) 1997;38:184 (Case report)

Mural thrombus; see Thrombosis**Muscle, transplantation**

free latissimus dorsi muscle transfer using an endoscopic technique (Cho et al) 1997;38:586
rectus abdominis muscle transplant in lower limb salvage: a recent series of 25 patients (Isenberg) 1997;38:620
what you see is what you get: lack of significant postoperative contour change in muscle transplants to the lower leg (Isenberg) 1997;38:46

Muscle flaps; see Flaps, muscle**Muscular atrophy**

what you see is what you get: lack of significant postoperative contour change in muscle transplants to the lower leg (Isenberg) 1997;38:46

Musculocutaneous flaps; see Flaps, musculocutaneous**Nails**

salvage of fingertip amputated at nail level: new

surgical principles and treatments (Hirase) 1997;38:151

Nasal septum

defect of the columella with loss of septum and soft palate: a case report (Kamiji) 1997;38:551 (Letter)

Nasalis aponeurosis

superficial nasalis aponeurotic system (SNAS) flap reconstruction of nasal defects (O'Hara et al) 1997;38:379

Neisseria meningitidis

treatment of thromboembolic complications of fulminant meningococcal septic shock (Mele et al) 1997;38:283 (Case report)

Neonate; see Infant, newborn**Neoplasm recurrence, local**

late recurrence of malignant melanoma and second primary malignant melanoma: a report of 3 patients (Yoshitatsu et al) 1997;38:663 (Letter)
recurrent basal cell carcinoma in margin-positive tumors (Friedman et al) 1997;38:232

Nerve regeneration

axonal regeneration through an autogenous nerve bypass: an experimental study in the rat (Shah et al) 1997;38:408

Nerves, transplantation

axonal regeneration through an autogenous nerve bypass: an experimental study in the rat (Shah et al) 1997;38:408

Neurilemoma

multiple neurilemmomas of the ulnar nerve: a case report (Komuro et al) 1997;38:536 (Case report)

Neurovascular flaps; see Flaps, neurovascular**Nevus, pigmented**

Jadassohn's sebaceous nevus and aphalangia (Midón et al) 1997;38:438 (Letter)

Nipples; see Breast**Noma**

one-stage reconstruction for defects caused by cancrum oris (noma) (Dean and Magee) 1997;38:29

Nose

modification of the primary nasal correction in the rotation-advancement unilateral cleft lip repair (Armstrong et al) 1997;38:236
subtotal midfacial/total nasal reconstruction following shotgun blast to the face employing composite microvascular serratus anterior rib, muscle, and scapular tip (Thomas and Harris) 1997;38:291 (Case report)
superficial nasalis aponeurotic system (SNAS) flap reconstruction of nasal defects (O'Hara et al) 1997;38:379

Nose neoplasms

schwannoma presenting as a nasal tip deformity (Mohan et al) 1997;38:83 (Letter)

Nuclear magnetic resonance

use of P³¹ magnetic resonance spectroscopy to evaluate the effect of ATP-MgCl₂ perfusion on the metabolism of rat skin island flaps (Koh et al) 1997;38:252

Nucleolus organizer region

silver staining of nucleolar organizer regions in
keloid scars (Miyata et al) 1997;38:438 (Letter)

Obagi peel

re: Obagi's modified trichloroacetic acid (TCA)-
controlled variable depth peel: a study of clinical
signs correlating with histological findings
(Glogau et al) (Letter); (Obagi) (Reply); (Johnson
et al) (Reply) 1997;38:298

Obstetrical forceps

case report: unilateral combined facial nerve and
brachial plexus palsies in a neonate following a
midlevel forceps delivery (de Chalmers et al) 1997;
38:187 (Case report)

Occipital bone

re: vascularized fascial patch for repair of
suboccipital dural defect (Isenberg) (Letter);
(Atiyeh) (Reply) 1997;38:305

Ollier's disease; see Echondromatosis

Orbital fractures

supraorbital roof fractures: a formidable entity with
which to contend (Martello and Vasconez) 1997;
38:223

Osteocutaneous flaps; see Flaps, osteocutaneous

Osteoma

treatment of frontal sinus osteoma using a
craniofacial approach (Chang et al) 1997;38:455

Paget's disease, extra-mammary

vulval reconstruction using rectus abdominis
musculocutaneous flap transfer with secondary
liposuction in extramammary Paget's disease
(Hatoko et al) 1997;38:179 (Case report)

Pain

controlled, randomized, double-blind study of
ketorolac for postoperative analgesia after plastic
surgery (Marín-Bertolín et al) 1997;38:478

Palate, soft

defect of the columella with loss of septum and
soft palate: a case report (Kamiji) 1997;38:551
(Letter)

Paranasal sinuses

concurrent functional endoscopic sinus surgery
and rhinoplasty (Rizk et al) 1997;38:323
treatment of frontal sinus osteoma using a
craniofacial approach (Chang et al) 1997;38:455

Pediatrics; see Child; Infant

Pedicled flaps; see Flaps, pedicled

Pelvic exenteration

reconstruction of pelvic exenterative wounds with
transpelvic rectus abdominis flaps: a case series,
with invited discussion by Kroll (Jain et al) 1997;
38:115

Penis

full-thickness skin grafts from eyelids to penis,
plus split-thickness grafts in chronic balanitis
xerotica obliterans (Rudolph and Walther) 1997;
38:173 (Case report)

Perineum

squamous cell carcinoma in perineal inflammatory
disease: a common outcome for chronic perineal

inflammatory disease (Gur et al) 1997;38:653
(Case report)

Peritonitis

small intestinal perforation and peritonitis after
abdominal suction lipoplasty (Øvrebø et al)
1997;38:642 (Case report)

Philtrum

three-dimensional reconstruction of the human
fetal philtrum (Namnoum et al) 1997;38:202

Pilonidal cyst

re: gluteus maximus musculocutaneous flap for the
treatment of recalcitrant pilonidal disease
(Schoeller et al) (Letter); (Davidson) (Reply)
1997;38:304

Pit viper venoms; see Snake bites

Plastic surgery

perceptions and misconceptions of the plastic and
reconstructive surgeon (Kim et al) 1997;38:426
plastic surgery: the rainbow profession (Edgerton)
1997;38:197

Plastic surgery, history

Alma Dea Morani, MD: a pioneer in plastic surgery
(Solomon and Granick) 1997;38:431

Plastic surgery, manpower

men die but the regiment lives on (Gorney) 1997;
38:437 (Invited editorial)
modest proposal (Morain) 1997;38:296 (Editorial)

Poisoning

subcutaneous metallic mercury injection: early,
massive excision (Işık et al) 1997;38:645 (Case
report)

Polychondritis, relapsing

relapsing polychondritis (Güerrişsi et al) 1997;38:
84 (Letter)

Postoperative care

controlled, randomized, double-blind study of
ketorolac for postoperative analgesia after plastic
surgery (Marín-Bertolín et al) 1997;38:478

Pressure

vacuum-assisted closure: a new method for wound
control and treatment: animal studies and basic
foundation (Morykwas et al) 1997;38:553
vacuum-assisted closure: a new method for wound
control and treatment: clinical experience, with
invited discussion by Eriksson (Argenta and
Morykwas) 1997;38:563
validation of cutaneous pressure threshold
measurements for the evaluation of hand
function (Dellon et al) 1997;38:485

Prostaglandin E1; see Alprostadil

Ptosis, eyelid; see Blepharoptosis

Public interest

gates of hell (Morain) 1997;38:661 (Editorial)

Public perceptions/misconceptions

perceptions and misconceptions of the plastic and
reconstructive surgeon (Kim et al) 1997;38:426

Quadrupod flaps; see Flaps, quadrupod

Radial artery

aneurysm of the radial artery following blunt

trauma to the wrist (Turowski et al) 1997;38:527
(Case report)

Rectum

re: rectosigmoid neocolpopoiesis for male-to-female transsexuals: Amsterdam experience (Hage et al) 1997;38:195 (Letter)

Rectus abdominis muscle

contralateral rectus abdominis muscle flap coverage for the management of a complicated groin defect (Aygüt et al) 1997;38:307 (Letter)
magnetic resonance imaging of the TRAM flap donor site (Suominen et al) 1997;38:23
reconstruction of pelvic exenterative wounds with transpelvic rectus abdominis flaps: a case series, with invited discussion by Kroll (Jain et al) 1997;38:115
rectus abdominis muscle transplant in lower limb salvage: a recent series of 25 patients (Isenberg) 1997;38:620
sensory reinnervation of autologous tissue TRAM flaps after breast reconstruction (Place et al) 1997;38:19
surgical delay in TRAM flap breast reconstruction: a comparison of 7- and 14-day delay periods (Restifo et al) 1997;38:330
thermal injuries following TRAM flap breast reconstruction (Alexandrides et al) 1997;38:335
vulval reconstruction using rectus abdominis musculocutaneous flap transfer with secondary liposuction in extramammary Paget's disease (Hatoko et al) 1997;38:179 (Case report)
what you see is what you get: lack of significant postoperative contour change in muscle transplants to the lower leg (Isenberg) 1997;38:46

Reduction mammoplasty; see Mammoplasty

Relapsing polychondritis; see Polychondritis, relapsing

Reperfusion

reduction of ischemic reperfusion edema with corticotropin-releasing factor (CRF) in rat hind limb replantation (Whitney et al) 1997;38:416

Replantation

reduction of ischemic reperfusion edema with corticotropin-releasing factor (CRF) in rat hind limb replantation (Whitney et al) 1997;38:416

Retirement

modest proposal (Morain) 1997;38:296 (Editorial)

Retractors

new malleable self-retaining retractor (Doi and Ogawa) 1997;38:543 (Case report)

Rhinoplasty

concurrent functional endoscopic sinus surgery and rhinoplasty (Rizk et al) 1997;38:323

Rhytidoplasty

laser resurfacing as an adjunct to endoforehead lift, endofacelift, and biplanar facelift (Ramirez and Pozner) 1997;38:315

Ribs

subtotal midfacial/total nasal reconstruction following shotgun blast to the face employing composite microvascular serratus anterior rib,

muscle, and scapular tip (Thomas and Harris) 1997;38:291 (Case report)

Rotation flaps; see Flaps, rotation

Salivary gland neoplasms

huge pleomorphic adenoma of the upper retromolar area (Hirabayashi et al) 1997;38:184 (Case report)

Scapula

nonmicrosurgical use of an osteocutaneous parascapular flap for reconstruction of a complex hand defect (Mutaf et al) 1997;38:531 (Case report)
subtotal midfacial/total nasal reconstruction following shotgun blast to the face employing composite microvascular serratus anterior rib, muscle, and scapular tip (Thomas and Harris) 1997;38:291 (Case report)

Scar; see Cicatrix

Schwannoma

schwannoma presenting as a nasal tip deformity (Mohan et al) 1997;38:83 (Letter)

Sensation

anatomic design of a sensate plantar flap (Narsete) 1997;38:538 (Case report)
computer-assisted quantitative sensorimotor testing in patients with carpal and cubital tunnel syndromes (Dellon and Keller) 1997;38:493
sensory reinnervation of autologous tissue TRAM flaps after breast reconstruction (Place et al) 1997;38:19
validation of cutaneous pressure threshold measurements for the evaluation of hand function (Dellon et al) 1997;38:485

Septic shock; see Shock, septic

Septocutaneous flaps; see Flaps, septocutaneous

Seroma

seroma as a common donor site morbidity after harvesting the latissimus dorsi flap: observations on cause and prevention (Schwabegger et al) 1997;38:594

Serratus anterior muscle

subtotal midfacial/total nasal reconstruction following shotgun blast to the face employing composite microvascular serratus anterior rib, muscle, and scapular tip (Thomas and Harris) 1997;38:291 (Case report)

Shock, septic

treatment of thromboembolic complications of fulminant meningococcal septic shock (Mele et al) 1997;38:283 (Case report)

Shotgun wounds; see Wounds, gunshot

Shoulder

endoscopic-assisted transaxillary removal of lipomas in the back and shoulder region (Takeuchi et al) 1997;38:109

Sigmoid

re: rectosigmoid neocolpopoiesis for male-to-female transsexuals: Amsterdam experience (Hage et al) 1997;38:195 (Letter)

Silicones

migration of silicone through the fibrous capsules of mammary prostheses (Beekman et al) 1997;38:441

re: effectiveness of silicone sheets in the prevention of hypertrophic breast scars (Niessen) (Letter); (Cruz-Korchin) (Reply) 1997;38:547

Silver staining

silver staining of nucleolar organizer regions in keloid scars (Miyata et al) 1997;38:438 (Letter)

Sinusitis

concurrent functional endoscopic sinus surgery and rhinoplasty (Rizk et al) 1997;38:323

Skin, transplantation

full-thickness skin grafts from eyelids to penis, plus split-thickness grafts in chronic balanitis xerotica obliterans (Rudolph and Walther) 1997;38:173 (Case report)

Skin flaps; see Flaps, skin

Skin neoplasms

dermatofibrosarcoma protuberans (DFSP): growth characteristics based on tumor modeling and a review of cases treated with Mohs micrographic surgery (Haycox et al) 1997;38:246
giant plexiform fibrohistiocytic tumor of skin (Karataş et al) 1997;38:306 (Letter)
late recurrence of malignant melanoma and second primary malignant melanoma: a report of 3 patients (Yoshitatsu et al) 1997;38:663 (Letter)
prognostic importance of tumor diameter in nodular melanomas (Straume and Akslen) 1997;38:550 (Letter)
recurrent basal cell carcinoma in margin-positive tumors (Friedman et al) 1997;38:232

Skull

preliminary report: a ceramic containing crosslinked collagen as a new cranial onlay and inlay material (Schendel et al) 1997;38:158

Sleep apnea syndrome

age-related outcomes of sleep apnea surgery in infants and children (Januszkiewicz et al) 1997;38:465

Snake bites

re: pit viper bites: rational management in locales in which copperheads and cottonmouths predominate (Bucknall) (Letter); (Lawrence) (Reply) 1997;38:302

Social class

gates of hell (Morain) 1997;38:661 (Editorial)

Soft palate; see Palate, soft

Southeastern Society of Plastic and Reconstructive Surgeons

plastic surgery: the rainbow profession (Edgerton) 1997;38:197

Specialties, medical

age of microspecialization: is there an epidermist in the house? (Weinzweig) 1997;38:82 (Letter)

Splints

molding therapy for infants with deformational auricular anomalies (Tan et al) 1997;38:263

Squamous cell carcinoma; see Carcinoma, squamous cell

Staphylococcus aureus
methicillin-resistant *Staphylococcus aureus* infection in hospital staff (McLaughlin et al) 1997;38:83 (Letter)

Statistics

re: the seven deadly sins of statistical analysis (Kuzon et al) 1997;38:87 (Letter)

Sternum

muscle flap reconstruction of pediatric poststernotomy wound infections (Grant et al) 1997;38:365
successful repair of ectopia cordis using alloplastic materials (Kim et al) 1997;38:518 (Case report)

Suction lipoplasty; see Lipectomy

Sunlight

thermal injuries following TRAM flap breast reconstruction (Alexandrides et al) 1997;38:335

Sutures

use of Mitek suture anchors in head and neck reconstruction (Dzwierzynski et al) 1997;38:449

Tendons

endoscopic retrieval of severed flexor tendons: a study of technique using cadaveric hands (Hill et al) 1997;38:446
medial canthoplasty with the Mitek Anchor System (Okazaki et al) 1997;38:124

Thermal injuries; see Burns

Thigh

anatomic comparison of septocutaneous free flaps from the thigh region (Shimizu et al) 1997;38:604
reconstruction of posttraumatic defects of the foot by flow-through anterolateral or anteromedial thigh flaps with preservation of posterior tibial vessels (Ao et al) 1997;38:598

Thoracic arteries

transferring vascular territories from one axial pattern flap to another: a comparison of delay procedures (Zink et al) 1997;38:385

Thromboembolism

treatment of thromboembolic complications of fulminant meningococcal septic shock (Mele et al) 1997;38:283 (Case report)

Thrombophlebitis

technique to investigate microvascular mural thrombus formation in small arteries and veins: II. effects of aspirin, heparin, r-hirudin, and G-4120 (Stockmans et al) 1997;38:63
technique to investigate mural thrombus formation in small arteries and veins: I. comparative morphometric and histological analysis (Stockmans et al) 1997;38:56

Thrombosis

technique to investigate microvascular mural thrombus formation in small arteries and veins: II. effects of aspirin, heparin, r-hirudin, and G-4120 (Stockmans et al) 1997;38:63
technique to investigate mural thrombus formation in small arteries and veins: I. comparative

- morphometric and histological analysis (Stockmans et al) 1997;38:56
- Tibia**
relative importance of intramedullary, intracortical, and extraosseous soft-tissue blood flow to the repair of devascularized canine tibial cortex (Schemitsch et al) 1997;38:623
- Tibial arteries**
reconstruction of posttraumatic defects of the foot by flow-through anterolateral or anteromedial thigh flaps with preservation of posterior tibial vessels (Ao et al) 1997;38:598
- Time factors**
ischemic time and free flap success (Gürlek et al) 1997;38:503
transferring vascular territories from one axial pattern flap to another: a comparison of delay procedures (Zink et al) 1997;38:385
- Tissue expansion**
inexpensive method of intraoperative skin stretching for closure of large cutaneous wounds (Abramson et al) 1997;38:540 (Case report)
post-transferred tissue expansion of a musculocutaneous free flap for debulking and further reconstruction (Fan) 1997;38:523 (Case report)
reconstruction of head and neck hemangiomas with tissue expansion in the pediatric population (Chang et al) 1997;38:15
tissue expansion in children: a retrospective study of complications (Gibstein et al) 1997;38:358
tissue expansion with endoscopy (Serra et al) 1997;38:101
use of external tissue expansion in the management of wounds and ulcers (Ger) 1997;38:352
- Tissue transplantation**
free tissue transfer in treatment of the recalcitrant chronic venous ulcer (Weinzweig and Schuler) 1997;38:611
- Toes**
anatomic study of the dorsalis pedis-first dorsal metatarsal artery (Lee and Dauber) 1997;38:50
- Toofäace**
Toofäace (Weinzweig) 1997;38:88 (Letter)
- Torsoplasty**
circumferential torsoplasty (Carwell and Horton) 1997;38:213
- Training; see Education**
- TRAM; see Rectus abdominis muscle**
- Transsexualism**
re: rectosigmoid neocolpopoiesis for male-to-female transsexuals: Amsterdam experience (Hage et al) 1997;38:195 (Letter)
- Trichloroacetic acid**
re: Obagi's modified trichloroacetic acid (TCA)-controlled variable depth peel: a study of clinical signs correlating with histological findings (Glogau et al) (Letter); (Obagi) (Reply); (Johnson et al) (Reply) 1997;38:298
- Tumescent anesthesia; see Anesthesia**
- Twins**
hemangioma in twins (Cheung et al) 1997;38:269
- Ulcer**
free tissue transfer in treatment of the recalcitrant chronic venous ulcer (Weinzweig and Schuler) 1997;38:611
hyperbaric oxygen therapy and free radical production: an experimental study in doxorubicin (Adriamycin) extravasation injuries (Monstrey et al) 1997;38:163
reconstruction of deep ulcer by free groin flap transfer (Gunji et al) 1997;38:86 (Letter)
use of external tissue expansion in the management of wounds and ulcers (Ger) 1997;38:352
- Ulnar nerve**
multiple neurilemmomas of the ulnar nerve: a case report (Komuro et al) 1997;38:536 (Case report)
- Umbilicus**
method of reconstructing a natural-looking umbilicus in abdominoplasty (Massiha et al) 1997;38:228
- Upper extremity; see Arm**
- Vacuum**
vacuum-assisted closure: a new method for wound control and treatment: animal studies and basic foundation (Morykwas et al) 1997;38:553
vacuum-assisted closure: a new method for wound control and treatment: clinical experience, with invited discussion by Eriksson (Argenta and Morykwas) 1997;38:563
- Vagina**
re: rectosigmoid neocolpopoiesis for male-to-female transsexuals: Amsterdam experience (Hage et al) 1997;38:195 (Letter)
- Vascularized flaps; see Flaps, vascularized**
- Venous malformations; see Arteriovenous malformations**
- Venous thrombosis; see Thrombophlebitis**
- Vulva**
vulval reconstruction using rectus abdominis musculocutaneous flap transfer with secondary liposuction in extramammary Paget's disease (Hatoko et al) 1997;38:179 (Case report)
- V-Y flaps; see Flaps, advancement**
- Weight loss**
circumferential torsoplasty (Carwell and Horton) 1997;38:213
- Wires**
bead and wire intermaxillary fixation (Hataya et al) 1997;38:632
- Wound healing**
vacuum-assisted closure: a new method for wound control and treatment: animal studies and basic foundation (Morykwas et al) 1997;38:553
vacuum-assisted closure: a new method for wound control and treatment: clinical experience, with invited discussion by Eriksson (Argenta and Morykwas) 1997;38:563

Wound infection

muscle flap reconstruction of pediatric
poststernotomy wound infections (Grant et al)
1997;38:365

Wounds, gunshot

re: high-energy gunshot wounds to the face
(Fackler) 1997;38:82 (Letter)
subtotal midfacial/total nasal reconstruction
following shotgun blast to the face employing
composite microvascular serratus anterior rib,
muscle, and scapular tip (Thomas and Harris)
1997;38:291 (Case report)

Wounds and injuries

aneurysm of the radial artery following blunt
trauma to the wrist (Turowski et al) 1997;38:527
(Case report)
inexpensive method of intraoperative skin

stretching for closure of large cutaneous wounds
(Abramson et al) 1997;38:540 (Case report)
magnetic resonance imaging of severe frostbite
injuries (Barker et al) 1997;38:275
prevention of accidental extubation in burn
patients (Achauer et al) 1997;38:280
use of external tissue expansion in the
management of wounds and ulcers (Ger) 1997;
38:352

Wrist injuries

aneurysm of the radial artery following blunt
trauma to the wrist (Turowski et al) 1997;38:527
(Case report)

Xanthoma

extensive bilateral eyelid ptosis caused by
xanthoma palpebrarum (Üstünsoy et al) 1997;38:
177 (Case report)
